

Sinclair Broadcasting's decision use their stations To air the Documentary "Stolen Honor: Wounds that Never heal" Is example of freedom of speech (targeted by kerry supporters due to it's contravercial nature) I fully Support the Broacasting of this Documentary "Stolen Honor: Wounds that Never heal".

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. But when Special Intrest Groups have a say(ie. Moveon.Org the media) we get more of what's good for the Agenda and less of what we need for our democracy.

Sinclair's actions show why we need to strengthen media ownership rules, not to Change them for 1 (in my opinion) Poor Example of a Liberal Presidential Candidate. Thank you.
